Program Duration  
**6 Months**

Participation in the Flagship Program is more than just an investment in your team's professional development. It's a strategic move towards enhancing your organization's financial prowess. With the comprehensive knowledge and skills acquired, your team will be better equipped to steer your organization towards financial stability and success.

**Join us** in the Flagship Program and be a part of Saudi Arabia's financial transformation. Together, we can shape a better financial future for your organization and the kingdom.

## Experience the Altamayyuz Difference

### Practical

Participants will engage with real-world case studies and complete a capstone project tailored to their respective sectors. These practical applications will be guided by experts from globally leading financial and accounting firms, as well as local industry leaders such as Saudi Aramco and SNB, ensuring that the content is both relevant and impactful.

### Secret of Success

When leaders from the financial and accounting industry, including our founding members, engaged with Saudi professionals during roundtable discussions, they were asked about the critical skills needed for professional success. Their unanimous answer was: "interpersonal skills." In response, the program includes a dedicated segment focusing on essential soft skills such as presentation techniques, personal branding, and more, empowering participants to excel in their careers.
